

12KBW are recruiting

12KBW are seeking to recruit outstanding practitioners of at least 7 years call with established practices as part of a long-term strategy to further develop and strengthen our core practice areas.

We are consistently ranked in tier 1 for Personal Injury and Industrial Disease by the legal directories, confirming our reputation as one of *the* leading chambers in these areas. We are also ranked by the Legal 500 in tier 1 for Insurance Fraud and have this year been ranked for the first time in both the Legal 500 and Chambers and Partners as a leading set in Travel & International Law, recognising the success of the 12 International & Travel group which we launched last year.

In 2017, Harry Steinberg QC received the silk of the year award for Personal Injury/Clinical negligence and Frank Burton QC the lifetime achievement award at the Chambers UK Bar Awards.

The Legal 500 have this year nominated us for Personal Injury/Clinical Negligence Chambers of the year and Paul Russell QC for silk of year for Personal Injury/Clinical Negligence.
