Members of 12 King's Bench Walk's International & Travel team have co-authored a wide-ranging update to the 'Accidents Abroad' section of Butterworths Personal Injury Litigation Service – a leading loose-leaf text for personal injury practitioners.

The update covers applicable law and jurisdiction in personal injury claims, the new Package Travel and Linked Travel Arrangements Regulations 2018, and the international travel conventions. The new chapter appears in the most recent edition of the hardcopy text and is also accessible online for subscribers to LexisNexis.
