

Business interruption insurance following FCA v Arch

On Wednesday morning, 12KBW will host the first in a three-part series of COVID-19 business interruption breakfast webinars following the Supreme Court's landmark decision in FCA v Arch and others [2021] UKSC 1.

James Beeton and Cressida Mawdesley-Thomas have produced a short summary of the Supreme Court's decision and a longer analytical piece about the current authorities on business interruption insurance and the COVID-19 pandemic. They can be accessed here:
