

Mayer Brown International LLP 5-a-side charity football tournament

12 King's Bench Walk was invited to participate in Mayer Brown International LLP 5-a-side charity football tournament on Friday

9th September 2016. It was a great event to raise money for Mayer Brown's charity of the year, Cardiomyopathy UK, which saves lives and reduces the misery caused by the heart muscle disease

Cardiomyopathy UK saves lives and reduces the misery caused by the heart muscle disease cardiomyopathy. We want people affected by the disorder to live long and fulfilling lives and work to achieve this by raising awareness of the condition, improving access to quality treatment, promoting clinical research and supporting anyone affected by cardiomyopathy every step of the way.
