AREAS OF EXPERTISE

Employment & Discrimination, Personal Injury, Industrial Disease, Fraud, Credit Hire

Andrew is a specialist employment and personal injury barrister. He accepts instructions across the full range of personal injury and employment work, with a particular focus on employers' liability, discrimination and whistleblowing claims.

Andrew has substantial advocacy experience and is comfortable dealing both with short interlocutory hearings and document-heavy multi-day trials. He favours being instructed early in proceedings and combines forensic legal advice with a pragmatic focus on the best outcome for the client.

Prior to starting pupillage in chambers, Andrew worked for a year at the Free Representation Unit supervising volunteers and running his own cases in employment law. He is a previous Chair and Treasurer of FRU.

Andrew is qualified to accept direct access instructions and he welcomes instructions on this basis in appropriate cases.
