## Anna Symington

Call: 2002

### AREAS OF EXPERTISE

Personal Injury, Fraud, Inquests, Insurance, Public Authority Liability, Costs

Anna acts for both Claimants and Defendants in most personal injury matters. Anna's mainstream personal injury practice is centred around higher value claims and she is particularly experienced in dealing with claims where the Claimant has developed CRPS. A large proportion of her practice involves defending fraudulent personal injury claims, both in Casualty and Motor.

She has been recommended in the legal directories as being "very sharp" and "an excellent advocate."

Anna has a wealth of experience in EL, PL and RTA claims. She is favoured by both Claimants and Defendants for her budgeting experience and ability to deliver a successful outcome at CCMCs.

Anna lives in the West Country and her practice is nationwide.

### Fraud

---

Anna acts for Insurers in all aspects of fraud related to personal injury claims. She is preferred Counsel for one major Insurer in all their Casualty claims. Anna deals with:

- Exaggerated injury claims
- Phantom passenger claims
- LSI
- Staged and semi-staged accidents
- Ringed fraud
- Holiday sickness

Examples of cases include:

- Acting for an Insurer in a fraudulent Casualty claim where the digital images of the accident locus were taken hours before the accident. Successfully obtained an FD finding following Claimant's discontinuance
- Acting for several Insurers in suspected linked fraudulent claims arising out of trip accidents in a particular area of the country
- Acting for an Insurer in an RTA suspected never to have occurred. C discontinued part way through the trial

following cross examination

- Acting for an Insurer in a fraudulent claim brought following a staged bus accident.
- Acting for a well known travel company in a holiday sickness claim where the Claimant discontinued at the door of court
