AREAS OF EXPERTISE

Personal Injury, Industrial Disease, Insurance, Fraud, Inquests, Abuse, Public Authority Liability, Arbitration

JUDICAL APPOINTMENTS

Deputy District Judge: 2010

David has a wide-ranging practice with substantial experience of claims of the utmost severity.

He has particular experience and expertise in handling claims involving psychiatric injury (particularly occupational stress claims), chronic pain and complex claims involving multiple and/ or catastrophic injury.

He is widely instructed by major insurers in their efforts to combat fraudulent claims and particularly adept at the tactics required in such claims.

He has been recognised for several years by Chambers and partners as a leading junior and is regularly instructed by both Claimants and Defendant in cases involving particular complexity in relation to causation and the valuation of quantum. A large proportion of his claims are resolved at settlement meetings where he is an experienced and robust negotiator.

David speaks regularly on a wide range of topics most recently in relation to fraud and stress at work claims.

Abuse

David has acted for both Claimants and Defendants in claims arising from allegations of sexual abuse both in institutional and employment settings.
