AREAS OF EXPERTISE

Personal Injury, Fraud, Clinical Negligence, Insurance, Credit Hire, International & Travel, Professional Negligence, Industrial Disease, Product Liability, Costs

Farhana accepts instructions in most areas of Chambers' work, with a particular interest in personal injury, fraud and costs. She has a varied practice representing both Claimants and Defendants across many of 12KBW's areas of expertise.

Farhana has a growing reputation as a fraud specialist and is often instructed to advise insurers on high value claims involving exaggerated injury and loss to staged accidents.

Her unparalleled knowledge of fundamental dishonesty law makes her a go-to junior in this area. She is regularly instructed at early stages of litigation to shape the case and lead it to a successful resolution.

Farhana's expertise in dishonesty cases overlaps with her interest in costs law. Her knowledge in this area allows her to robustly pursue a finding of fundamental dishonesty at trial and seamlessly transition to costs law by disapplying QOCS, obtaining a costs order against the Claimant, and assessing those costs in a Detailed Assessment.

Farhana regularly delivers talks on both fraud and costs.

Product Liability

Farhana is experienced in a wide range of product liability claims, including those under the Consumer Protection Act 1987 and the Consumer Rights Act 2015.
