

## Gemma Scott

Call: 2005  
scott@12kbw.co.uk

### AREAS OF EXPERTISE

Industrial Disease, Personal Injury, International & Travel,  
Product Liability, Clinical Negligence, Group Claim  
Litigation, Group Litigation

Gemma specialises in serious personal injury cases, industrial disease claims, and in large group actions.

She regularly appears against silks and senior juniors in High Court cases. She is also frequently instructed as junior counsel in multi-million pound claims, often working alongside silks from other chambers.

She is ranked in the fields of Personal Injury and Industrial Disease in the Legal 500 and in Chambers & Partners.

Gemma is a contributor to Sweet and Maxwell's *Asbestos: Law and Litigation*.

### Aviation

---

#### Notable cases

(1) *PE* (2) *IC v MW & 6 others*

Acted as junior Counsel alongside John Kimbell K.C. in a claim arising from a helicopter crash. Liability and quantum were hotly contested. The case also raised complicated issues in respect of tax liabilities. Both Claimants were resident in Sweden and would be required to pay tax on damages paid in respect of loss of earnings, pension, and/or financial dependency.

*HT v Cavaciuti & 7 others*

A husband and wife were killed when an aeroplane, piloted by the husband, crashed. The couple had three children who made claims for financial and services' dependencies in the region of £4.5m. The claim was presented on the basis of a global family dependency.

Gemma was led by John Kimbell K.C. They were instructed by the Defendant insurers of the personal representatives of the husband. The case settled on a global basis (costs and damages) for less than £1m.
