AREAS OF EXPERTISE

Personal Injury, Industrial Disease, Employment & Discrimination, Clinical Negligence, Fraud, Credit Hire, Public Authority Liability, International & Travel, Public Inquiries

Rachit specialises in personal injury, industrial disease, international and travel law and clinical negligence work. He has an interest in employment law claims, particularly in cases involving psychiatric harm.

His industrial disease practice focuses on mesothelioma claims and other asbestos-related diseases.

Rachit has experience in cases involving a public law aspect, recently being instructed in the Undercover Policing Inquiry, as well as an established inquest practice.

He acts for claimants and defendants/respondents.

Having studied Human Genetics before studying for the Bar, Rachit applies his knowledge of scientific and medical issues to the law.

Employment & Discrimination

Rachit regularly appears in multi-day Employment Tribunal hearings for claimant and respondent.

He specialises in claims involving protected disclosures, disability, race and sexual orientation discrimination and associative discrimination.

He has successfully conducted numerous costs applications and judicial mediation.

He has particular experience of cases involving police officers and staff, acting in multi-day tribunal hearings involving alleged discrimination, whistleblowing, and advising on potentially sensitive matters using the national security tribunals procedure.

He regularly advises companies and individuals on claims involving team moves and injunctive relief.

He is valued by solicitors for providing detailed and practical advice on merits, quantum, costs and appeal.

Memberships

Rachit holds memberships to PIBA and ELBA.
