Away from Chambers, Ted has several articles published in national newspapers, presented his own radio shows and volunteered both abroad and in the UK with human rights and legal charities.

Ted's main interests outside law are cooking (and eating), playing football, skiing, and travelling.

Personal Injury

Ted accepts instructions in all areas of personal injury litigation for both Claimants and Defendants. Ted has particular experience of working on road traffic accident and employers' liability claims.

Clinical Negligence

Ted has a growing clinical negligence practice, and he accepts instructions from both Claimants and Defendants. Ted's recent cases have included negligent hospital, ophthalmic and dental treatment. Ted has recently completed a secondment at the Association of Optometrists, working on high value multi track claims.

Inquests

Fundamental Dishonesty

Ted regularly acts in fast and multi-track matters where fundamental dishonesty is the central issue. He accepts instructions from both Claimants and Defendants, and is happy to provide early stage advice and to appear at trial. Most recently, Ted succeeded in having an employers' liability claim dismissed and an enforceable costs order imposed after securing a finding of fundamental dishonesty.

Sports law

Arising out of a keen personal passion for sport, Ted has a growing practice in sports injuries, and most recently successfully acted for a child in a ski accident claim. He is keen to develop this area further, and accepts instructions from both Claimants and Defendants. Ted is happy to accept instructions on a CFA basis.
